Dear Friend of the **Colorado Grand**,

Enclosed are your application materials for 2010.

This year marks the 22nd year of the Colorado Grand, and we owe this longevity to all of you. Our dates this year are September 12-19. We will be arriving and checking in on Sunday and driving Monday through Thursday. The finish line dinner, benefit auction and awards will be held Thursday evening, with the Concours d'Non-Elegance on Friday morning.

The Vail Cascade Resort and Spa will be our host hotel on the first and last nights of the Grand once again. They are excited to have us back and continue to provide us with wonderful accommodations and service.

We thank our sponsors for their continued support, especially Mercedes-Benz USA, who joins us for the 15th Year. (MBUSA), not only supports us financially, but provides a fleet of the latest and greatest cars they have on offer in case your trusty steed breaks down. Driving these beautiful cars on the Grand Route definitely takes away the pain of retiring your own car during the event. Hagerty Collector Car Insurance, Greenberg Traurig LLC, RM Auctions all join us again this year as well. By September, we hope to have a few new sponsors to announce. Do let us know if you have any one that might be interested in signing on. And, in order to help with your planning, please consider using our advertiser, FedEx Auto Transport at 800-325-4267.

Thanks to all of you, we were able to continue our support of several charities in a time that is challenging for all such organizations. Our total donations now approach \$2.9 million. Last year, these included the Colorado State Patrol Family Foundation, the Robert Sutherland Foundation and the North Fork Ambulance Association, as well as several others. The Grand also supports the small towns we visit for lunch with scholarships and funds for specific community projects. Besides the monies we raise during the event, many of you also provide us and our charities with "bonus checks". These have really added up in the past years to be a significant part of our donations. Thank you all so much!

As you know, we are limited by the Colorado State Patrol in the number of cars we are allowed to run. There simply isn't enough room for all of our friends to join us in a given year. Please don't be discouraged if you are placed on a waiting list. Entry positions do often open up throughout the course of the summer. The Colorado Grand entry field is noted for the quality and significance of its pre-war and early cars. We encourage you to consider applying with an older racing or sports car if you have the choice.

We hope you can join us for another spectacular Colorado Grand.
